March 13, 2020

Dear Franklin Twp. Community,

The Covid19 impact on our schools and communities is rapidly changing by the minute, therefore our action plans and response must evolve accordingly.

As we continue our preparations for the potential of health-related school closings, our teachers need to begin to create virtual lessons and assignments for their students. In order to give them the time to do so and because we don't know if or when the state will close schools, the in-service day which was originally scheduled for Friday, March 20, will be moved up to Monday, March 16, 2020. This way we can ensure that our students receive continuous instruction in the event of a closure.

To repeat, students should **not** report to school on Monday, March 16<sup>th</sup>. As of now, Friday, March 20<sup>th</sup> will be a regular school day.

Once again, we thank you for your continued patience during this unprecedented time. Further information will be forthcoming as we receive it.

Yours in education,

Mr. Troy Walton  
Superintendent of Schools
