February 18th at 7:00 pm at the
**BOARD
OFFICE.**

PLEASE COME JOIN US!!

Parents for Positive Change is a special education advisory committee made up of parents who want to have a voice for our children in the school district. Our goal is to nurture a positive change through inclusion for our children. The children benefit, the parents benefit and the community benefits when we can all collaborate on making changes for the future. The committee also organizes outings for the children and the parents. By working together we have a bigger, louder voice to be heard.
